

2017 Chapter Color Guard Grant Request Form

Each of the TNSAR Chapters is eligible for a \$250 grant to help seed the start-up of a chapter color guard or enhance the chapter's existing color guard. These projects could range from flags to parade rifles to musical instruments to tricorne hats to anything that might add value and visibility to the color guard. Funds must be dispersed by 12/31/2017. These grants are made possible by vote of the Board of Governors to help local chapters grow the face of TNSAR.

Process: Print this form, fill-in required information, then submit to John Clines, TNSAR Color Guard Commander, for approval (clines@chartertn.net). Once approved, purchase approved item(s) and submit the approved form and receipts to Dr. Joe Chambers, TNSAR Treasurer (drjoec1@earthlink.net).
