The Fund shall be administered by a committee of three members. On passage of this By-law, the President shall appoint one member for three years, one for two years, and one for one year. Thereafter the President shall appoint annually one member for a term of three years. In the event of a vacancy created by the death or resignation of a member, the President shall appoint a successor for the unexpired term of said member. Payment may be made in a lump sum or as four equal installments payable at the beginning of the first, second, third, and fourth years. In the event an installment plan is started but not completed, the member shall be credited with the number of full calendar years the money on deposit is projected to last, using the same calculation procedure used to develop the table of applicable amounts, and thereafter must resume annual dues payments to retain good standing. The Fund shall be opened for enrollment during the month of December of each year. Payment may be deferred until the of January following if desired for income tax purposes. A member enrolling in the Fund shall pay the required deposit plus dues for the next calendar year. The committee shall invest the money deposited in the Fund in securities available to fiduciaries in the State of Tennessee.

Within 30 days of the beginning of each calendar year an amount equal to the National and State (includes chapter) dues of each enrolled member shall be transferred to the general fund of the Tennessee Society. The payment of the State, including the chapter dues, may be suspended if approved by vote of 2/3 of the members present at any regular or special meeting of the membership or, unless expressly prohibited by the members, by vote of a majority of the members of the Board in office. The Treasurer shall pay the National dues of the enrolled Members to the National Society, S.A.R. and unless suspended, their local chapter dues, from the funds so transferred. The Fund Committee shall review the schedule of required deposits annually and shall propose a revised schedule to the Board of Governors if deemed necessary.

Upon the death of an enrolled member his name shall be removed from the Fund's rolls and payment of dues for the deceased member shall cease. Monies deposited in the Fund by deceased members shall be retained in the Fund until such time as the Fund Committee determines that the capital is sufficient to meet projected requirements with suitable reserve for contingencies (e.g. survival of enrolled members past their life expectancy).

Capital which the Fund Committee determines to be in excess of requirements shall be transferred to other Funds of the Tennessee Society as directed by the Board of Governors. In the event that this article should be repealed, payment of dues for the enrolled members shall continue as provided herein, until all enrolled members are deceased.
